Park at the recreation ground.

Leave the recreation ground, turn right onto the road and as it goes downhill take a path on the left. Follow the path through the trees and down the field edge turning right at the bottom. Just before the fence on the right ends turn left through a copse, Bulldean Copse, and follow the path across the field to a finger post. Bear left and follow the green track.

At the tee junction turn right along the field edge and continue to a tarmacked drive. Cross this and continue, passing a green track dropping down to the left. Continue ahead, cross a gallop and through a gap in the hedge to a tee junction. Turn right.

Follow this path until it turns right through a gap in the hedge onto the gallop. Turn left and keep close to the hedge. After a short distance, at a waymark post on the left, turn right onto a path across the field to a waymark post. Cross a tarmacked drive and continue to a bungalow and on to a road, White Hill. Turn right.

Follow the road until reaching a field bar gate on the right. Go around this into a field. Turn right and follow the wide grassed field edge until reaching the start of a fence on the left. Continue ahead and retrace the route to the recreation ground.
